PBS Purpose Statement

The purpose of PBS in Bungaree Parish Schools is to provide a positive, safe, healthy, nurturing and respectful environment in which all students have the opportunity to become productive members of society.

Our schools will-

- Create a sense of community in our school
- Increase positive behaviour
- Create consistent language, expectations, and consequences
- Gather and use data to guide decision-making
- Raise student achievement and wellbeing

Our expected values of Be Respectful, Inclusive, Courageous and Kind (BRICK) are central to our Christian values and align with the Bungaree Parish Schools' education. These values provide the framework for clearly defined and consistent student expectations and accountabilities for all, within our Christian context.

"A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples" John 13:34
